

The background of the image is the interior of an airplane cabin. It shows a long, narrow aisle with rows of seats on both sides. The seats are upholstered in a light grey or off-white fabric with dark blue or navy blue panels on the backrests. The cabin walls are white, and the overhead luggage bins are visible. The lighting is bright and even, creating a clean and professional atmosphere.

Josephine is a caring and professional coach. She helped to groom me for my job search during the COVID-19 pandemic when my job offer in the airline industry got withdrawn. Josephine also helped me through my journey with my transition to a new company in a different industry.

Josephine helped me overcome my overthinking attitude. She understands my personality and uses it to help me in various ways. She always reminds me to put myself in the shoes of others to see things in a different point of view and perspective.
